## ECONOMIST

## ABOUT ME

I hold an MSc in Economics and an MPhil in Public Policy (specializing in economics) from PIDE (Pakistan Institute of Development Economics), currently pursuing a PhD in Islamic Economics at Minhaj University. With a strong foundation in economic theory and practical experience in research and corporate sectors, I am passionate about exploring economic dynamics, political systems, and revolutions through continuous study and application.

## EDUCATION

- Msc Economics** 2015-2017  
Pakistan Institute of Development Economics (PIDE)
  - Solid Economic Theory: Deep understanding of principles like supply/demand, market dynamics, and macroeconomics.
